Stainless Steel Range Hood

RANGEMASTER® RM50000

Beautiful, yet attainable.

The 50000 series combines European design with tremendous value to meet the requirements of today's conventional appliance and kitchen styles. Its 270 CFM centrifugal blower and multispeed control provide quiet, effective performance. A fully enclosed bottom contains a dishwasher safe filter for easy cleaning. Plus, dual lighting provides excellent cooktop illumination.

- > European design chimney hood.
- > Multispeed slide control and integrated dual light assembly.
- > Dual 40-watt incandescent lamps included.
- > Dishwasher-safe aluminum filter features a quick-release latch and professional style appearance.
- > Includes non ducted kit for indoor exhaust recirculation
- > Ducted/nonducted telescopic flue accommodates ceiling heights from 8 to 9 feet. Extension flues for higher ceilings are also available.
- > Install hood so that the bottom of the unit is 24 to 30 in. above the cooking surface.
