offerings

FOR THE WAY IT'S MADE.®

about us

- Received the 2009 ENERGY STAR Sustained Excellence award, the company's 10th ENERGY STAR award in 11 years.
- Whirlpool brand was named one of the 10 top greenest brands by U.S. consumers, according to a 2008 *BrandWeek* magazine survey.
- Three of Top 20 consumer-rated brands in 2008 *BrandIndex* poll published by *BrandWeek* magazine
- Whirlpool Corporation is the #1 manufacturer of household appliances in the world. According to *Euromonitor* International, a leading business intelligence firm, Whirlpool has 9.1 percent of global market share for major appliances. Whirlpool has led this metric since first measured by *Euromonitor* in 2001.
- Received the 2007 Cause Marketing Golden Halo Award for Business, America's highest honor for companies and organizations that give back to the community through creative and effective cause marketing campaigns
- Named one of the "Top 20 Global Companies for Leaders" by FORTUNE magazine for focus on developing leaders within the company
- Named one of "25 Noteworthy Companies for Diversity" by *DiversityInc* magazine for our excellent community philanthropy, employee-resource groups and measurement of diversity success
- Received a score of 100 percent on the Human Rights Campaign's Corporate Equality Index for six consecutive years (2004-2009)
- Founding sponsor of the Alliance to Save Energy Efficiency Global Forum & Exposition (EE Global), a forum that brings together leaders from around the globe to forge new partnerships and develop strategies on energy efficiency
- Named one of the "100 Best Corporate Citizens" by Chief Responsibility Officer (formerly Business Ethics) magazine in 2009 and from 2000-2007
- Named one of the "2008 World's Most Ethical Companies" by *Ethisphere* magazine
